

# AnyTAB™ AMD810

Be Connected – AnyTIME, AnyWHERE

- » **On Demand Access** – 3G and Wi-Fi enabled with Bluetooth 3.0 provide internet access for work and play
- » **Best of Honeycomb 3.2** – Preloaded with Google Mobile Services including Gmail, Google Map, YouTube, Gtalk, Google News & Weather, Android Market, etc.
- » **Highly Mobile** – ultra lightweight and slim 7” design slips into a pocket, purse or briefcase for on-the-go access
- » **Low Cost Maintenance** – AnyTAB series of tablets minimizes maintenance costs with replaceable battery
- » **Portable Entertainment** – music, gaming, video, social media, e-reader and so much more at your fingertips
- » **Stay Connected** – email, calendar, documents and PC-like web browsing provide a virtual office anywhere
- » **Media Center** – equipped with HD video recording and playback plus a dual Camera for instant capture and playback
- » **Social Networking** – keep current with real-time updates to Facebook, Twitter and YouTube

Sleek and lightweight, the new AnyTAB™ AMD810 fits in a pocket yet offers a large, high-resolution screen and best-in-class computing power for rich communication, business, and entertainment use on the go. At only 7", the AnyTAB AMD810 delivers robust, multifunction performance in a highly mobile wireless device. Featuring Honeycomb 3.2 Android operating system, the AMD810 combines a striking WSVGA display with a powerful Qualcomm Snapdragon dual-core processor to provide the ultimate tablet for productivity and fun.
